

HAMILTON EAST
PUBLIC LIBRARY

Memorial Book Program

The library's Memorial Book Program was started in 1971 as a way to remember and honor a loved one or friend through the gift of a book. Since the program started, the Hamilton East Public Library has received nearly 3000 memorial book donations through this program.

Donors may request certain subject matter materials be purchased in memory or honor of their loved one. Library staff can assist in this selection. The library will also gladly accept a donation of a specific book. A special label will be placed in each donated book and a memorial card acknowledging the thoughtful gift to the library will be sent to the family or friend, notifying them of the special gift.

Gifts are tax deductible and will be enjoyed and appreciated by library users for many years to come.

Please print, complete and return the form below to either library location.
Questions? Call (317)770-3225.

Please accept the enclosed contribution (please print)

Gift is presented in Memory of in Honor of

Person's name _____

Specific materials requested to purchase _____
