LOST AND DAMAGED MATERIALS POLICY

To maintain collections of appealing items in good repair for public use, Hamilton East Public Library assesses fees for lost or damaged materials.

Customers who lose borrowed Library materials are charged the replacement price of the item and borrowing privileges are suspended in accordance with the Circulation of Materials Policy.

There is an additional processing fee assessed for each lost item (see **Fees for Services**).

When customers return an item that was lost and paid for, they may receive a refund of the price of the item for 30 days after the date of payment. A receipt with the amount paid shall be given to the customer at the time payment is made. Refund checks will be issued upon Board approval at the next scheduled Board meeting. Any materials returned after the 30-day period are not eligible for any refunds and the customer may keep these materials.

Items returned with replaceable missing parts or repairable damage will be assessed the appropriate charge for repair or replacement of parts plus a processing fee. If parts cannot be replaced, the customer will be charged for replacement of the entire item.

If materials returned are damaged to the extent they cannot be put back on the shelf the customer will be charged the full price of the item plus a processing fee. The customer may then keep those materials.

Because we reserve the right to replace specific lost or damaged items with more up-to-date versions or formats based on Library needs, HEPL does not accept replacements in lieu of payment for lost or damaged items.
